

## Products Range : Broached Parts

### Application :

Automotive Transmission Components, Engine Parts, Electric Motors, Aerospace Equipments, Earthmoving Machines, Marine components etc.

### Material :

Carbon Steel & low Alloy Steels(16MnCr5 / SAE 8620/SCM 420/ EN 9/EN 353/ C 45)

### Specifications :

Broaching Dia. : upto 150 mm

Module : 2.5-5.0

DIN Class : 8-10

MBP : upto 50 $\mu$
