

Products Range : Milled Parts

Application :

Automotive Transmission Components, Engine Parts, Electric Motors, Aerospace Equipments, Earthmoving Machines, Marine components etc.

Material :

Carbon Steel & low Alloy Steel (16MnCr5 / SAE 8620/SCM 420/ EN 9/EN 353/ C 45)

Stainless Steel, Cast Iron & Aluminum

Specifications:

Max. Dia: upto 400mm

Drill size : upto 50mm dia.

Tolerance:

PCD : upto 50 μ

Face Runout : upto 35 μ

Drill Tolerance : upto 50 μ

Reaming/boring : upto 1.2 μ

Surface Finish :

As per specification
